

# INDEX, SUBJECT — INDEKS, ONDERWERP

## Volume 79 · Jaargang 79 — 2008

No. 1 — March · Maart: 1–56

No. 2 — June · Junie: 57–104

No. 3 — September: 105–154

No. 4 — December · Desember: 155–212

### Anaesthesiology

Limb fracture during recovery from general anaesthesia: an often tragic complication of equine anaesthesia ..... 145

Increasing ketamine dose enhances the anaesthetic properties of ketamine-xylazine-midazolam combinations in growing pigs ..... 205

### Anatomy

Estimating exposed pulp lengths of tusks in the African elephant (*Loxodonta africana africana*) ..... 25

Sex-based comparison of limb segmentation in ostriches aged 14 months with and without tibiotarsal rotation ..... 142

Canine hip extension range during gait ..... 175

Changes in sheep oesophageal diameter and function during *Geigeria ornativia* (vermeerbos) poisoning and subsequent recovery ..... 178

### Avian (poultry, ostriches, cage birds)

A comparison of the oral application and injection routes using the Onderstepoort Biological Products Fowl Typhoid vaccine, its safety, efficacy and duration of protection in commercial laying hens ..... 39

A comparison of the efficacy of doramectin, closantel and levamisole in the treatment of the 'oriental eye fluke' *Philopthalmus gralli*, in commercially reared ostriches (*Struthio camelus*) ..... 101

Sex-based comparison of limb segmentation in ostriches aged 14 months with and without tibiotarsal rotation ..... 142

An outbreak of toxoplasmosis in an aviary collection of Nicobar pigeons (*Caloenas nicobarica*) ..... 149

Antimicrobial drug resistance of *Escherichia coli* isolated from poultry abattoir workers at risk and broilers on antimicrobials ..... 161

### Bacterial, mycoplasmal and fungal diseases

A serological prevalence survey of *Brucella abortus* in cattle of rural communities in the province of KwaZulu-Natal, South Africa ..... 15

A comparison of the oral application and injection routes using the Onderstepoort Biological Products Fowl Typhoid vaccine, its safety, efficacy and duration of protection in commercial laying hens ..... 39

Pulmonary *Mycobacterium tuberculosis* (Beijing strain) infection in a stray dog ..... 95

An outbreak of chlamydiosis in farmed Indopacific crocodiles (*Crocodylus porosus*) ..... 99

The use of the milk ring test and rose bengal test in brucellosis control and eradication in Nigeria ..... 113

First isolation of *Escherichia coli* O157:H7 from faecal and milk specimens from Anatolian water buffaloes (*Bubalus bubalis*) in Turkey ..... 167

Antimicrobial drug resistance of *Escherichia coli* isolated from poultry abattoir workers at risk and broilers on antimicrobials ..... 161

Is the current dose of a conventional oxytetracycline formulation adequate for the management of infections in sheep? ..... 171

### Bovine

Epidemiology, disease and control of infections in ruminants by herpesviruses – An overview ..... 8

A serological prevalence survey of *Brucella abortus* in cattle of rural communities in the province of KwaZulu-Natal, South Africa ..... 15

The occurrence of dermatosparaxis in a commercial Drakensberger cattle herd in South Africa ..... 19

Occurrence of *Theileria parva* infection in cattle on a farm in the Ladysmith district, KwaZulu-Natal, South Africa ..... 31

The prevalence of serum antibodies to *Erlichia ruminantium* infection in ranch cattle in Tanzania: a cross-sectional study ..... 71

Investigation of a syndrome characterised by passage of red urine in smallholder dairy cattle in East Usambara Mountains, Tanzania ..... 89

Rumen management during aphagia ..... 106

The use of the milk ring test and rose bengal test in brucellosis control and eradication in Nigeria ..... 113

The extent of acaricide resistance in 1-, 2- and 3-host ticks on communally grazed cattle in the eastern region of the Eastern Cape Province, South Africa ..... 130

Lack of correlation between the electrical conductivity of milk and the blood progesterone levels in cows ..... 153

### Canine

The scintigraphic evaluation of the pulmonary perfusion pattern of dogs hospitalised with babesiosis ..... 76

Pulmonary *Mycobacterium tuberculosis* (Beijing strain) infection in a stray dog ..... 95

Canine hip extension range during gait ..... 175

Review of idiopathic eosinophilic meningitis in dogs and cats, with a detailed description of two recent cases in dogs ..... 194

### Caprine

Ixodid ticks infesting domestic goats in communal land areas of Zimbabwe ..... 116

## Clinical pathology

Provisional clinical chemistry parameters in the African Sharptoothed catfish (*Clarias gariepinus*) ..... 156

## Education

Veterinary education in South Africa: the Classes of 1934 & 1935 ..... 3

## Epidemiology

Medical and veterinary doctors, social scientists and agricultural researchers meet to carry forward the fight against cysticercosis, a neglected and fatal disease of the poor ..... 2  
Epidemiology, disease and control of infections in ruminants by herpesviruses – An overview ..... 8  
A serological survey of African horse sickness in Botswana ..... 44  
Perceptions and problems of disease in the one-humped camel in southern Africa in the late 19th and early 20th centuries .. 58

## Equine

The use of electrochemically activated saline as a uterine instillation in pony mares ..... 36  
A serological survey of African horse sickness in Botswana ..... 44  
Acute lead intoxication in a pregnant mare ..... 50  
Limb fracture during recovery from general anaesthesia: an often tragic complication of equine anaesthesia ..... 45  
Three cases of osteoma and an osseous fibroma of the paranasal sinuses of horses in South Africa ..... 185

## Feline

Review of idiopathic eosinophilic meningitis in dogs and cats, with a detailed description of two recent cases in dogs ..... 194

## History

Veterinary education in South Africa: the Classes of 1934 & 1935 ..... 3  
Perceptions and problems of disease in the one-humped camel in southern Africa in the late 19th and early 20th centuries... 58

## Medicine

The use of electrochemically activated saline as a uterine instillation in pony mares ..... 36  
Acute normovolaemic haemodilution – 2 case studies ..... 46  
Care, husbandry and diseases of the African giant rat (*Cricetomys gambianus*) ..... 62  
The scintigraphic evaluation of the pulmonary perfusion pattern of dogs hospitalised with babesiosis ..... 76  
Investigation of a syndrome characterised by passage of red urine in smallholder dairy cattle in East Usambara Mountains, Tanzania ..... 89  
Rumen management during aphagia ..... 106  
Thermal, cardiorespiratory and cortisol responses of Impala (*Aepyceros melampus*) to chemical immobilisation with 4 different drug combinations ..... 121  
Lack of correlation between the electrical conductivity of milk and the blood progesterone levels in cows ..... 153  
Review of idiopathic eosinophilic meningitis in dogs and cats, with a detailed description of two recent cases in dogs ..... 194

## Neoplasia

Three cases of osteoma and an osseous fibroma of the paranasal sinuses of horses in South Africa ..... 185  
Review of idiopathic eosinophilic meningitis in dogs and cats, with a detailed description of two recent cases in dogs ..... 194

## Ovine

Efficacy of 3 anthelmintics in communally grazed sheep as reflected by faecal egg count reduction tests in a semi-arid area of South Africa ..... 54  
Is the current dose of a conventional oxytetracycline formulation adequate for the management of infections in sheep?..... 171  
Changes in sheep oesophageal diameter and function during *Geigeria ornativa* (vermeerbos) poisoning and subsequent recovery ..... 178

## Parasitology

Medical and veterinary doctors, social scientists and agricultural researchers meet to carry forward the fight against cysticercosis, a neglected and fatal disease of the poor ..... 2  
The occurrence of dermatosparaxis in a commercial Drakensberger cattle herd in South Africa ..... 19  
Efficacy of 3 anthelmintics in communally grazed sheep as reflected by faecal egg count reduction tests in a semi-arid area of South Africa ..... 54  
Normal intestinal flora of wild Nile crocodiles (*Crocodylus niloticus*) in the Okavango Delta, Botswana ..... 67  
Neurocysticercosis: a possible cause of epileptiform seizures in people residing in villages served by the Bethanie clinic in the North West Province of South Africa ..... 84  
A comparison of the efficacy of doramectin, closantel and levamisole in the treatment of the 'oriental eye fluke', *Philopthalmus gralli*, in commercially reared ostriches (*Struthio camelus*) ..... 101  
Ixodid ticks infesting domestic goats in communal land areas of Zimbabwe ..... 116  
The extent of acaricide resistance in 1-, 2- and 3-host ticks on communally grazed cattle in the eastern region of the Eastern Cape Province, South Africa ..... 130

## Pathology

Three cases of osteoma and an osseous fibroma of the paranasal sinuses of horses in South Africa ..... 185  
Review of idiopathic eosinophilic meningitis in dogs and cats, with a detailed description of two recent cases in dogs ..... 194

## Pharmacology

- Thermal, cardiorespiratory and cortisol responses of Impala (*Aepyceros melampus*) to chemical immobilisation with 4 different drug combinations ..... 121
- Is the current dose of a conventional oxytetracycline formulation adequate for the management of infections in sheep? . . . . 171
- Changes in sheep oesophageal diameter and function during *Geigeria ornativa* (vermeerbos) poisoning and subsequent recovery ..... 178

## Porcine

- Increasing ketamine dose enhances the anaesthetic properties of ketamine-xylazine-midazolam combinations in growing pigs. .... 205

## Protozoal diseases

- Occurrence of *Theileria parva* infection in cattle on a farm in the Ladysmith district, KwaZulu-Natal, South Africa ..... 31
- The prevalence of serum antibodies to *Ehrlichia ruminantium* infection in ranch cattle in Tanzania: a cross-sectional study ..... 71
- An outbreak of toxoplasmosis in an aviary collection of Nicobar pigeons (*Caloenas nicobarica*) ..... 149
- Public Health
- Antimicrobial drug resistance of *Escherichia coli* isolated from poultry abattoir workers at risk and broilers on antimicrobials ..... 161

## Surgery

- Canine hip extension range during gait ..... 175
- Three cases of osteoma and an osseous fibroma of the paranasal sinuses of horses in South Africa. .... 185

## Toxicology

- Acute lead intoxication in a pregnant mare ..... 50

## Viral diseases

- Epidemiology, disease and control of infections in ruminants by herpesviruses – An overview ..... 8
- Gammaherpesvirus carrier status of black wildebeest (*Connochaetes gnou*) in South Africa ..... 136

## Wildlife/Exotic animals

- The occurrence of dermatosparaxis in a commercial Drakensberger cattle herd in South Africa ..... 19
- Perceptions and problems of disease in the one-humped camel in southern Africa in the late 19th and early 20th centuries. . . 58
- Care, husbandry and diseases of the African giant rat (*Cricetomys gambianus*) ..... 62
- Normal intestinal flora of wild Nile crocodiles (*Crocodylus niloticus*) in the Okavango Delta, Botswana ..... 67
- An outbreak of chlamydiosis in farmed Indopacific crocodiles (*Crocodylus porosus*) ..... 99
- Thermal, cardiorespiratory and cortisol responses of Impala (*Aepyceros melampus*) to chemical immobilisation with 4 different drug combinations ..... 121
- Gammaherpesvirus carrier status of black wildebeest (*Connochaetes gnou*) in South Africa ..... 136
- Provisional clinical chemistry parameters in the African Sharptoothed catfish (*Clarias gariepinus*) ..... 156
- First isolation of *Escherichia coli* O157:H7 from faecal and milk specimens from Anatolian water buffaloes (*Bubalus bubalus*) in Turkey ..... 167

## Zoonosis

- Neurocysticercosis: a possible cause of epileptiform seizures in people residing in villages served by the Bethanie clinic in the North West Province of South Africa ..... 84
