

INDEX, SUBJECT* — INDEKS, ONDERWERP

Volume 78 · Jaargang 78 – 2007

No. 1 — March · Maart: 1–53

No. 2 — June · Junie: 55–113

No. 3 — September: 115–182

No. 4 — December · Desember: 183–231

Anaesthesiology

- Pre-anaesthetic screening of geriatric dogs 31
- Comparison of quality of induction of anaesthesia between intramuscularly administered ketamine, intravenously administered ketamine and intravenously administered propofol in xylazine premedicated cats 201

Anatomy

- Gross morphological features of *plexus brachialis* in the chinchilla (*Chinchilla lanigera*) 21
- Differences in stride between healthy ostriches (*Struthio camelus*) and those affected by tibiotarsal rotation 52

Avian (poultry, ostriches, cage birds)

- A preliminary study on normal electrocardiographic parameters of ostriches (*Struthio camelus*) 46
- Differences in stride between healthy ostriches (*Struthio camelus*) and those affected by tibiotarsal rotation 52
- Some fungi, zearalenone and other mycotoxins in chicken rations, stock feedstuffs, lucerne and pasture grasses in the communal farming area of Rhenosterkop in South Africa 69
- Evaluation of the application of a thermostable Newcastle disease vaccine by community volunteers in the North West Province of South Africa 158
- Factors related to shell deaths during artificial incubation of ostrich eggs 195

Bacterial, mycoplasmal and fungal diseases

- Eustachian tube diverticulum chondroids and neck abscessation in a case of *Streptococcus equi* subsp. *equi* 166
- Anaerobic bacterial pericardial effusion in a cat 175
- Atypical dermatophilosis of sheep in Kenya 178

Bovine

- The reproductive performance of dairy cows with anovulatory anoestrus that were injected with either gonadotrophin-releasing hormone or oestradiol benzoate as part of a re-treatment process after insemination 6
- Seroprevalence of *Babesia bigemina* in smallholder dairy cattle in Tanzania and associated risk factors 15
- Effects of subclinical bovine leukemia virus infection on some production parameters in a dairy farm in southern Turkey. 130
- An outbreak of perirenal oedema syndrome in cattle associated with ingestion of pigweed (*Amaranthus hybridus* L.) 171
- A questionnaire survey of perception and preventive measures related to animal health amongst cattle owners of rural communities in KwaZulu-Natal, South Africa 205
- Livestock production — Man must measure. 224

Canine

- Molecular characterisation of *Babesia gibsoni* infection from a Pit-bull terrier pup recently imported into South Africa 2
- Pre-anaesthetic screening of geriatric dogs 31
- Boomslang envenomation in 2 dogs in KwaZulu-Natal, South Africa 49
- Incidence of canine elbow dysplasia in South Africa 59
- A field trial evaluation of the prophylactic efficacy of Amitraz-impregnated collars against canine babesiosis (*Babesia canis rossi*) in South Africa 63
- Canine subclinical prostatic disease: histological prevalence and validity of digital rectal examination as a screening test. 66
- Multiple cutaneous inverted papillomas in a dog 221
- The response of the pituitary-adrenal and pituitary-thyroidal axes to the plasma glucose perturbations seen in *Babesia canis rossi* babesiosis 215
- Acute normovolaemic haemodilution – Is it a solution to reduce perioperative blood transfusions? 188

Caprine

- Benefits of urea-molasses block supplementation and symptomatic and tactical anthelmintic treatments of communally grazed indigenous goats in the Bulwer area, KwaZulu-Natal Province, South Africa 81
- A preliminary report on the use of FAMACHA® for haemonchosis in goats in the Eastern Cape Province of South Africa during the late autumn/early winter period. 90

Clinical pathology

- ACTH stimulation test in the captive cheetah (*Acinonyx jubatus*). 133
- Normal haematology and blood biochemistry of wild Nile crocodiles (*Crocodylus niloticus*) in the Okavango Delta, Botswana 137

*Parasitological Society of Southern Africa congress abstracts are indexed under Parasitology.

Admission clinicopathological data, length of stay, cost and mortality in an equine neonatal intensive care unit	153
Hyperzinaemia in a pet African giant rat (<i>Cricetomys gambianus</i> Waterhouse, 1840)	163
Education	
Veterinary education in South Africa: the Classes of 1930 and 1931	56
Building capacity for improved veterinary epidemicsurveillance in southern Africa	92
Veterinary education in South Africa: The Classes of 1932 and 1933	185
Strictly Scientific and Practical Sense. A century of the Central Veterinary Institute in the Netherlands, 1904–2004	181
Endocrinology	
The reproductive performance of dairy cows with anovulatory anoestrus that were injected with either gonadotrophin-releasing hormone or oestradiol benzoate as part of a re-treatment process after insemination	6
Implementing immunocontraception in free-ranging African elephants at Makalali Conservancy	25
Epidemiology	
Parasitology and urban livestock farming in Nigeria: prevalence of ova in faecal and soil samples and animal ectoparasites in Makurdi	40
Building capacity for improved veterinary epidemicsurveillance in southern Africa	92
Alternatives to animal disposal including the use of foresight technology and agri-intelligence	120
Request for retraction of published statement on EIA	184
Equine	
An investigation of equine infectious anaemia infection in the Central Anatolia region of Turkey	12
Admission clinicopathological data, length of stay, cost and mortality in an equine neonatal intensive care unit	153
Eustachian tube diverticulum chondroids and neck abscessation in a case of <i>Streptococcus equi</i> subsp. <i>equi</i>	166
Request for retraction of published statement on EIA	184
Feline	
Anaerobic bacterial pericardial effusion in a cat	175
Comparison of quality of induction of anaesthesia between intramuscularly administered ketamine, intravenously administered ketamine and intravenously administered propofol in xylazine premedicated cats	201
Acute normovolaemic haemodilution – Is it a solution to reduce peri-operative blood transfusions?	188
History	
Veterinary education in South Africa: the Classes of 1930 and 1931	56
Veterinary education in South Africa: The Classes of 1932 and 1933	185
Strictly Scientific and Practical Sense. A century of the Central Veterinary Institute in the Netherlands, 1904–2004	181
Medicine	
Results of wellness examinations of 28 African hunting dog (<i>Lycaon pictus</i>) puppies at the Denver Zoological Foundation	36
A preliminary study on normal electrocardiographic parameters of ostriches (<i>Struthio camelus</i>)	46
Boomslang envenomation in 2 dogs in KwaZulu-Natal, South Africa	49
Canine subclinical prostatic disease: histological prevalence and validity of digital rectal examination as a screening test	66
The response of the pituitary-adrenal and pituitary-thyroidal axes to the plasma glucose perturbations seen in <i>Babesia canis rossi</i> babesiosis	215
Acute normovolaemic haemodilution – Is it a solution to reduce peri-operative blood transfusions?	188
Neoplasia	
Prevalence and body distribution of sarcoids in South African Cape mountain zebra (<i>Equus zebra zebra</i>)	145
Multiple cutaneous inverted papillomas in a dog	221
Nutrition	
Some fungi, zearalenone and other mycotoxins in chicken rations, stock feedstuffs, lucerne and pasture grasses in the communal farming area of Rhenosterkop in South Africa	69
Benefits of urea-molasses block supplementation and symptomatic and tactical anthelmintic treatments of communally grazed indigenous goats in the Bulwer area, KwaZulu-Natal Province, South Africa	81
Ovine	
Seroprevalence of toxoplasmosis in sheep in South Africa	116
Atypical dermatophilosis of sheep in Kenya	178
The effect of cholecystokinin peptides on ovine duodeno-jejunal slow waves with and without pretreatment with proglumide	209
Parasitology	
Parasitology and urban livestock farming in Nigeria: prevalence of ova in faecal and soil samples and animal ectoparasites in Makurdi	40
A field trial evaluation of the prophylactic efficacy of Amitraz-impregnated collars against canine babesiosis (<i>Babesia canis rossi</i>) in South Africa	63

Benefits of urea-molasses block supplementation and symptomatic and tactical anthelmintic treatments of communally grazed indigenous goats in the Bulwer area, KwaZulu-Natal Province, South Africa	81
A preliminary report on the use of FAMACHA® for haemonchosis in goats in the Eastern Cape Province of South Africa during the late autumn/early winter period	90
Parasitological Society of Southern Africa (PARSA) — Abstracts of papers and posters presented at the 35th Annual Congress of the Parasitological Society of Southern Africa (PARSA), 24–26 September 2006, Ministry of Mines and Energy, Windhoek, Namibia	99
Emendations to PARSA abstracts	184
Keynote addresses	99
Malaria in South Africa: A success story	99
Snail-transmitted trematode parasites	99
Vaccination against <i>Taenia solium</i> infection in pigs: a new method for control of cysticercosis	99
Tsetse-transmitted trypanosomosis in southern Africa: new insights – new challenges	99
From discovery to development: current industry perspectives for the development of novel methods of helminth control in livestock	100
Oral presentations	100
Comments on the distribution and phylogeny of the Branchiura	100
Effect of water levels on parasite infestations in the Okavango Delta, Botswana	100
Evidence of a novel <i>Babesia</i> parasite in a domestic cat in South Africa	100
The spatial distribution of <i>Nemesis lamna</i> Risso, 1826, on the gills of the great white shark, <i>Carcharodon carcharias</i> (Linnaeus, 1758)	100
The role of parasites in abalone farming and notes on an enigmatic digestive gland protozoan	101
WormBoss – A national Australian computer-based sheep worm control tool	101
The ultrastructure of the Australasian gannet louse <i>Pectinopygus bassani</i> (O. Fabricius, 1780)	101
The phylogeny and geographical distribution of the fish-parasitic isopod family Gnathiidae	101
Preliminary results on the biodiversity and systematics of apicomplexans infecting South African tortoises	102
Molecular phylogenetic analysis of crocodilian blood protozoans of the genus <i>Hepatozoon</i>	102
Tissue responses to juvenile <i>Gnathia pantherina</i> feeding on the gill septa of the puffadder shyshark, <i>Haploblepharus edwardsii</i> , in South Africa	102
Improvement of fungal formulations for tick control using oils and sunscreens	102
Investigating the role of T cell responses to IL-4 in <i>Leishmania major</i> and <i>Nippostrongylus brasiliensis</i> murine infection models ..	103
Parasites and tourism	103
Entomopathogenic fungi with potential for tick control: a comparison of laboratory and field observations	103
Prevalence, intensity of infection and host specificity of fleas of some small mammals in selected areas around the city of Windhoek, Namibia	103
Molecular mechanisms of drug resistance in malaria parasites	104
The potential of lectins in the prevention and control of ticks and tick-borne diseases	104
Pentastomid parasites in the Cambrian, 500 million years ago – an exceptional view of a small group of arthropods that today are endoparasites of land tetrapods	104
The synthesis and characterisation of metal complexes with high biological activity against malaria parasites	105
Correlation between <i>Babesia rossi</i> genotypes and clinical babesiosis of dogs in South Africa	105
The life-cycle of a <i>Paradiplozoon</i> sp. (Monogenea: Diplozoidae) from the Vaal Dam, South Africa	105
Monogenean parasites on gills of freshwater fish from the Okavango Delta, Botswana	105
Eye and cranial cavity diplostomatid metacercariae of freshwater fish in farm dams around Tshwane, Gauteng Province ...	105
A survey of raccoons, <i>Procyon lotor</i> , for raccoon roundworm, <i>Baylisascaris procyonis</i> , in western Pennsylvania, USA	106
The epifaunistic arthropod parasites of four-striped mice, <i>Rhabdomys pumilio</i> , in the Western Cape Province, South Africa ...	106
Prevalence and genetic diversity of <i>Anaplasma marginale</i> strains in cattle in South Africa	106
Molecular characterisation of a <i>Babesia</i> sp. from sable antelope	107
Fractionation of parasite communities in relation to heavy metals and persistent organic pollutants	107
Comparison of TaqMan probe PCR using the Roche Lightcycler System with conventional PCR for the diagnosis of <i>Theileria parva</i> in South Africa	107
Myxosporean parasites of Okavango fishes	107
A survey of intestinal parasites in preschool children in Roma, Lesotho	108
A survey of <i>Salmonella</i> spp. in bovine and ovine meat in the commercial meat abattoirs in Namibia	108
Genetic diversity of South African <i>Theileria parva</i> isolates	108
The associations between MHC genes and metazoan parasites in the fish populations living under different levels of environmental pollution	108
The fish tongue-replacement isopod – Friend or foe?	109
The spatial distribution of <i>Kroyeria dispar</i> Wilson, 1935, on the gills of the tiger shark, <i>Galeocerdo cuvier</i> (Peron and Lesueur, 1822)	109

Benefits of urea-molasses block supplementation and tactical anthelmintic treatment of communally grazed indigenous goats in the Bulwer area, KwaZulu-Natal Province, South Africa	109
The internal and external parasite database 2005 for reserves in the Free State province	109
A morphological description of a <i>Diplozoon</i> species (Monogenea) on the gills of <i>Labeo rosae</i> in the Olifants River	110
Posters	110
Ecological parameters of <i>Lamproglena hoi</i> Dippenaar <i>et al.</i> , 2001 (Copepoda: Lernaeidae) infection on the Bushveld Smallscale Yellowfish, <i>Labeobarbus polylepis</i> (Boulenger, 1907)	110
A survey of plant-parasitic fungi occurring on Namibian <i>Acacia</i> species	110
A comparison of the intestinal helminth communities of zebra species in southern Africa	110
A new genus and species of gnathiid isopod (Crustacea: Isopoda: Gnathiidae) from southern Africa	110
Aspects of the feeding biology of <i>Lamproglena clariae</i> (Fryer, 1956)	111
Helminth parasites of kudu, <i>Tragelaphus strepsiceros</i> , from mopani veld in Limpopo Province	111
Adding to the few – A new, possibly raillietiellid pentastomid parasite from a gecko	111
Ecological aspects of <i>Bothriocephalus acheilognathi</i> Yamaguti, 1934 in the Vaal Dam	111
Efficacy and persistency evaluations of an injectable ivermectin abamectin formulation against an induced nematode and a natural <i>Rhipicephalus</i> (<i>Boophilus</i>) sp. tick infestation in cattle	112
Prevalence of <i>Entamoeba histolytica</i> and <i>Entamoeba dispar</i> among males and females in KwaZulu-Natal	112
A novel method of administering an endectocide, abamectin, in game	112
Remote treatment of ticks	112
Persistent acaricidal efficacy of ivermectin against 1-host ticks on cattle	113
Cambrian Pentastomida – new finds contribute to understanding morphology and ontogeny early in the evolution of this group of parasites	113
Repellent effects of the essential oil of <i>Lavendula angustifolia</i> against adults of <i>Hyalomma marginatum rufipes</i>	149
Pathology	
Prevalence and body distribution of sarcoids in South African Cape mountain zebra (<i>Equus zebra zebra</i>)	145
Multiple cutaneous inverted papillomas in a dog	221
Pharmacology	
ACTH stimulation test in the captive cheetah (<i>Acinonyx jubatus</i>)	133
The effect of cholecystokinin peptides on ovine duodeno-jejunal slow waves with and without pretreatment with proglumide	209
Primary animal health care	
Evaluation of the application of a thermostable Newcastle disease vaccine by community volunteers in the North West Province of South Africa	158
A questionnaire survey of perception and preventive measures related to animal health amongst cattle owners of rural communities in KwaZulu-Natal, South Africa	205
Production	
Seroprevalence of <i>Babesia bigemina</i> in smallholder dairy cattle in Tanzania and associated risk factors	15
Benefits of urea-molasses block supplementation and symptomatic and tactical anthelmintic treatments of communally grazed indigenous goats in the Bulwer area, KwaZulu-Natal Province, South Africa	81
Effects of subclinical bovine leukemia virus infection on some production parameters in a dairy farm in southern Turkey ...	130
Factors related to shell deaths during artificial incubation of ostrich eggs	195
Livestock production — Man must measure	224
Protozoal diseases	
Molecular characterisation of <i>Babesia gibsoni</i> infection from a Pit-bull terrier pup recently imported into South Africa	2
Seroprevalence of <i>Babesia bigemina</i> in smallholder dairy cattle in Tanzania and associated risk factors	15
A field trial evaluation of the prophylactic efficacy of Amitraz-impregnated collars against canine babesiosis (<i>Babesia canis rossi</i>) in South Africa	63
Seroprevalence of toxoplasmosis in sheep in South Africa	116
The response of the pituitary-adrenal and pituitary-thyroidal axes to the plasma glucose perturbations seen in <i>Babesia canis rossi</i> babesiosis	215
Public health	
Evaluation of the application of a thermostable Newcastle disease vaccine by community volunteers in the North West Province of South Africa	158
Alternatives to animal disposal including the use of foresight technology and agri-intelligence	120
Radiology	
Incidence of canine elbow dysplasia in South Africa	59
Reproduction	
The reproductive performance of dairy cows with anovulatory anoestrus that were injected with either gonadotrophin-releasing hormone or oestradiol benzoate as part of a re-treatment process after insemination	6

Implementing immunocontraception in free-ranging African elephants at Makalali Conservancy	25
Surgery	
Incidence of canine elbow dysplasia in South Africa	59
Tusklessness and tusk fractures in free-ranging African savanna elephants (<i>Loxodonta africana</i>)	75
Toxicology	
Some fungi, zearalenone and other mycotoxins in chicken rations, stock feedstuffs, lucerne and pasture grasses in the communal farming area of Rhenosterkop in South Africa	69
The toxicity of <i>Senecio inaequidens</i> DC.	121
An outbreak of perirenal oedema syndrome in cattle associated with ingestion of pigweed (<i>Amaranthus hybridus</i> L.)	171
Viral diseases	
An investigation of equine infectious anaemia infection in the Central Anatolia region of Turkey	12
Effects of subclinical bovine leukemia virus infection on some production parameters in a dairy farm in southern Turkey ...	130
Evaluation of the application of a thermostable Newcastle disease vaccine by community volunteers in the North West Province of South Africa	158
Request for retraction of published statement on EIA	184
Wildlife / Exotic diseases	
Gross morphological features of <i>plexus brachialis</i> in the chinchilla (<i>Chinchilla lanigera</i>)	21
Implementing immunocontraception in free-ranging African elephants at Makalali Conservancy	25
Results of wellness examinations of 28 African hunting dog (<i>Lycaon pictus</i>) puppies at the Denver Zoological Foundation ...	36
Tusklessness and tusk fractures in free-ranging African savanna elephants (<i>Loxodonta africana</i>)	75
ACTH stimulation test in the captive cheetah (<i>Acinonyx jubatus</i>)	133
Normal haematology and blood biochemistry of wild Nile crocodiles (<i>Crocodylus niloticus</i>) in the Okavango Delta, Botswana	137
Prevalence and body distribution of sarcoids in South African Cape mountain zebra (<i>Equus zebra zebra</i>)	145
Hyperzincaemia in a pet African giant rat (<i>Cricetomys gambianus</i> Waterhouse, 1840)	163
Book reviews	
Alternatives to animal disposal including the use of foresight technology and agri-intelligence	120
Strictly Scientific and Practical Sense. A century of the Central Veterinary Institute in the Netherlands, 1904–2004	181
