Anaesthesiology

- Xylazine, diazepam and midazolam premedicated ketamine anaesthesia in White Leghorn cockerels for typhlectomy 12
- Comparison of morphine and carprofen administered alone or in combination for analgesia in dogs undergoing ovariohysterectomy 120
- Cardiopulmonary effects of medetomidine or midazolam in combination with ketamine or tiletamine/zolazepam for the immobilisation of captive cheetahs (*Acinonyx jubatus*) 205
- Anaesthesia and analgesia for dogs and cats in South Africa undergoing sterilisation and with osteoarthritis – An update from 2000 224

Avian (poultry, ostriches, cage birds)

- The presence of quill mites (*Gabucinia bicaudata*) and lice (*Struthiolipeurus struthionis*) in ostrich wing feathers 9
- Xylazine, diazepam and midazolam premedicated ketamine anaesthesia in White Leghorn cockerels for typhlectomy 12
- A pilot study on post-evisceration contamination of broiler carcasses and ready-to-sell livers and intestines (mala) with *Campylobacter jejuni* and *Campylobacter coli* in a high-throughput South African poultry abattoir 114
- Diseases of indigenous chickens in Bokaa village, Kgatleng district, Botswana 131
- Crooked beak in a 14-month old ostrich (*Struthio camelus*) 170

Bacterial, mycoplasmal and fungal diseases

- A pilot study on post-evisceration contamination of broiler carcasses and ready-to-sell livers and intestines (mala) with *Campylobacter jejuni* and *Campylobacter coli* in a high-throughput South African poultry abattoir 114
- Mycoplasmal mastitis in dairy cows in the Moghan region of Ardabil State, Iran 222

Bovine

- Bone mineral response to ammonium sulphate offered as a lick supplement in beef calves 19
- A comparative study of the effect of 2 hormonal treatment protocols on the reproductive performance of previously anoestrous dairy cows 33
- A review of the factors affecting the costs of bovine mastitis 52
- Seroprevalance of *Babesia bovis* and *Babesia bigemina* in cattle in the Soutpansberg region, Limpopo Province, South Africa, associated with changes in vector-tick populations 61
- The use of a pour-on and spray dip containing Amitraz to control ticks (Acari: Ixodidae) on cattle 66
- Unusual manifestation of a concurrent demodectic and sarcoptic mange in a Zebu-Friesian cross-bred heifer 90
- Evaluation of the mineral status of cattle on communal grazing in the North West Province of South Africa 179
- Mycoplasmal mastitis in dairy cows in the Moghan region of Ardabil State, Iran 222

Canine

- Nephro-cutaneous fistula in a dog 40
- Comparison of morphine and carprofen administered alone or in combination for analgesia in dogs undergoing ovariohysterectomy 120
- Ipsilateral vascularised ulnar transposition autograft for limb-sparing surgery of the distal radius in 2 dogs with osteosarcoma 150
- Magnetic resonance imaging findings of a metastatic chemodectoma in a dog 155
- Canine renal cortical necrosis and haemorrhage following ingestion of an Amitraz-formulated insecticide dip 160
- The elevated serum urea: creatinine ratio in canine babesiosis in South Africa is not of renal origin 175
- Congenital dilatation of the large and segmental intrahepatic bile ducts (Caroli's Disease) in two Golden retriever littermates 210
- First record of *Acanthocheilonema dracunculoides* from domestic dogs in Namibia 220
- Anaesthesia and analgesia for dogs and cats in South Africa undergoing sterilisation and with osteoarthritis – An update from 2000 224

Caprine

- Partial facial duplication (diprosopus) in a goat kid 42

Clinical pathology

- The elevated serum urea: creatinine ratio in canine babesiosis in South Africa is not of renal origin 175
- Influence of dosage and chemical restraints on feline excretory urography 202

Education

- Telemedicine in veterinary practice 75
- Agricultural researchers and social scientists join medical and veterinary doctors to combat an emerging zoonosis in sub-Saharan Africa 106
- Telemedicine in Africa 107
- Veterinary education in South Africa. The classes of 1928 and 1929 171

Epidemiology	
Diseases of indigenous chickens in Bokaa village, Kgatleng district, Botswana	131
An epidemiological investigation of the African horsesickness outbreak in the Western Cape Province of South Africa in 2004 and its relevance to the current equine export protocol	191
Mycoplasmal mastitis in diary cows in the Moghan region of Ardabil State, Iran	222
Equine	
Confirmed <i>Datura</i> poisoning in a horse most probably due to <i>D. ferox</i> in contaminated Tef hay	86
Studies on some paraclinical indices on intoxication in horses from freshly cut Jimson weed (<i>Datura stramonium</i>)-contaminated maize intended for ensiling	145
An epidemiological investigation of the African horsesickness outbreak in the Western Cape Province of South Africa in 2004 and its relevance to the current equine export protocol	191
Clinical and pathological studies on intoxication in horses from freshly cut Jimson weed (<i>Datura stramonium</i>)-contaminated maize intended for ensiling	215
Feline	
Pneumomediastinum, pneumothorax and pneumoretroperitoneum following endoscopic retrieval of a tracheal foreign body from a cat	45
Phylogenetic analysis to define feline immunodeficiency virus subtypes in 31 domestic cats in South Africa	108
Influence of dosage and chemical restraints on feline excretory urography	202
Anaesthesia and analgesia for dogs and cats in South Africa undergoing sterilisation and with osteoarthritis – An update from 2000	224
History	
Veterinary education in South Africa. The Classes of 1928 and 1929	171
Immunology	
Ovine placental eluate immunoglobulins recognise isologous and third party acid-treated trophoblast microvesicle antigens <i>in vitro</i>	24
Medicine	
Pneumomediastinum, pneumothorax and pneumoretroperitoneum following endoscopic retrieval of a tracheal foreign body from a cat	45
A review of the factors affecting the costs of bovine mastitis	52
A method for determining the extent of thermal burns in elephants	70
Investigating the depth of thermal burns in elephants	134
Overview of suspected adverse reactions to veterinary medicinal products reported in South Africa (March 2004 – February 2006)	164
Mycoplasmal mastitis in diary cows in the Moghan region of Ardabil State, Iran	222
Neoplasia	
Magnetic resonance imaging findings of a metastatic chemodectoma in a dog	155
Descriptive study of an outbreak of equine sarcoid in a population of Cape Mountain Zebra (<i>Equus zebra zebra</i>) in the Gariiep Nature Reserve	184
Nutrition	
Bone mineral response to ammonium sulphate offered as a lick supplement in beef calves	19
Evaluation of the mineral status of cattle on communal grazing in the North West Province of South Africa	179
Ovine	
Ovine placental eluate immunoglobulins recognise isologous and third party acid-treated trophoblast microvesicle antigens <i>in vitro</i>	24
Parasitology	
Managing anthelmintic resistance in small ruminant livestock of resource-poor farmers in South Africa	2
The presence of quill mites (<i>Gabucinia bicaudata</i>) and lice (<i>Struthiolipeurus struthionis</i>) in ostrich wing feathers	9
WHO/FAO/OIE guidelines for the surveillance, prevention and control of taeniosis/cysticercosis	44
