

INDEX, SUBJECT* — INDEKS, ONDERWERP

Volume 74 · Jaargang 74 — 2003

No. 1 — March · Maart: 1–32

No. 2 — June · Junie: 33–60

No. 3 — September: 61–102

No. 4 — December · Desember: 103–146

Animal husbandry

- Parasitic helminths of veterinary importance in cattle, sheep and goats on communal farms in the northeastern Free State, South Africa 45
- Effect of feeding urea-molasses blocks with incorporated fenbendazole on grazing dairy heifers naturally infected with gastrointestinal nematodes 49

Avian (poultry, ostriches, cage birds)

- Diseases of free-ranging chickens in the Qwa-Qwa district of the northeastern Free State province of South Africa 14
- A note on endoparasites of wild ostriches (*Struthio camelus*) in the Mokolodi Nature Reserve, Gaborone, Botswana 22
- The use of dried bakery products in a free-choice feeding method for small-scale broiler production 111

Bacterial, mycoplasmal and fungal diseases

- Histological evidence of chytridiomycete fungal infection in a free-ranging amphibian, *Afrana fuscigula* (Anura: Ranidae), in South Africa 20
- The encyclopaedia of arthropod-transmitted infections 23
- A comparison of selected public health criteria in milk from milk-shops and from a national distributor 35
- Pasturella testudinis* associated with respiratory disease and septicaemia in leopard (*Geochelone pardalis*) and other tortoises in South Africa 135

Bovine

- A comparison of selected public health criteria in milk from milk-shops and from a national distributor 35
- Effect of feeding urea-molasses blocks with incorporated fenbendazole on grazing dairy heifers naturally infected with gastrointestinal nematodes 49

Canine

- Volume of the *ligamentum capitis femoris* in osteoarthritic hip joints of adult dogs 11
- Vine snake (*Thelotornis capensis*) bite in dog 27
- Tumoral calcinosis in a dog with chronic renal failure 29
- Thrombocytopaenia in canine babesiosis and its clinical usefulness 63
- The effects of diminazene aceturate on systemic blood pressure in clinically healthy adult dogs 69
- The prevalence of subclinical gastroduodenal ulceration in Dachshunds with intervertebral disc prolapse 77
- Ultrasonographic diagnosis of unilateral ectopic ureter in a Labrador dog 84
- The efficacy of collars impregnated with flumethrin and propoxur against experimental infestations of adult *Rhipicephalus sanguineus* on dogs 123
- Cervical spondylomyelopathy (wobbler syndrome) in the Boerboel 104

Caprine

- Anthelmintic resistance of nematodes in communally grazed goats in a semi-arid area of South Africa 82

Education and extension

- Flexible learning options for the degree MMedVet (Chir) 34
- Mathematics at matriculation level as an indicator of success or failure in the 1st year of the Veterinary Nursing Diploma at the Faculty of Veterinary Science, University of Pretoria 132

Epidemiology

- A Survey of zoonotic diseases contracted by South African veterinarians 72

Equine

- A survey of reproductive success in South African Thoroughbred horse breeding from 1975 to 1999 17
- Seasonal fluctuation of parasitic infestation in donkeys (*Equus asinus*) in Oodi village, Kgatleng District, Botswana 24
- Anthelmintic treatment in horses: the extra-label use of products and the danger of under-dosing 53
- Epistaxis related to exercise-induced pulmonary haemorrhage in South African Thoroughbreds 127

Medicine

- Tumoral calcinosis in a dog with chronic renal failure 29
- Clinical neurology in small animals: localization, diagnosis and treatment 16
- Thrombocytopaenia in canine babesiosis and its clinical usefulness 63

*Parasitological Society of Southern Africa congress abstracts are indexed under Parasitology.

The effects of diminazene aceturate on systemic blood pressure in clinically healthy adult dogs	69
The prevalence of subclinical gastroduodenal ulceration in Dachshunds with intervertebral disc prolapse	77
Overview of suspected adverse reactions to veterinary medicinal products reported in South Africa (March 2002 – February 2003)	137

Neoplasia

Tumoral calcinosis in a dog with chronic renal failure	29
--	----

Ovine

Little anthelmintic drenching required for lambs finished over winter and spring on annually re-established irrigated pasture on the Highveld of Gauteng province, South Africa	2
Infestation with the sheep body louse (<i>Bovicola ovis</i>) in Merino lines divergently selected for maternal multiple rearing ability ...	57

Parasitology

Little anthelmintic drenching required for lambs finished over winter and spring on annually re-established irrigated pasture on the Highveld of Gauteng province, South Africa	2
A note on endoparasites of wild ostriches (<i>Struthio camelus</i>) in the Mokolodi Nature Reserve, Gaborone, Botswana	22
Seasonal fluctuation of parasitic infestation in donkeys (<i>Equus asinus</i>) in Oodi village, Kgatleng District, Botswana	24
Comparison of 3 tests to detect acaricide resistance in <i>Boophilus decoloratus</i> on dairy farms in the Eastern Cape Province, South Africa	41
Parasitic helminths of veterinary importance in cattle, sheep and goats on communal farms in the northeastern Free State, South Africa	45
Effect of feeding urea-molasses blocks with incorporated fenbendazole on grazing dairy heifers naturally infected with gastrointestinal nematodes	49
Anthelmintic treatment in horses: the extra-label use of products and the danger of under-dosing	53
Infestation with the sheep body louse (<i>Bovicola ovis</i>) in Merino lines divergently selected for maternal multiple rearing ability ...	57
Anthelmintic resistance of nematodes in communally grazed goats in a semi-arid area of South Africa	82
Distribution and habitats of the snail <i>Lymnaea truncatula</i> , intermediate host of the liver fluke <i>Fasciola hepatica</i> , in South Africa	117
The efficacy of collars impregnated with flumethrin and propoxur against experimental infestations of adult <i>Rhipicephalus sanguineus</i> on dogs	123

PARSA congress abstracts

A study of malaria in under-fives in Benin City, Nigeria [Abstract]	87
Parasites lost and parasites found [Abstract]	87
Contribution to the study of the Cestoda, Pseudophyllidea, of <i>Barbus setivimensis</i> from Keddara Lake, Algeria [Abstract]	87
The micromorphology of the vulture louse <i>Falcolipeurus quadripustulatus</i> (Burmeister 1838) [Abstract]	87
Trypanosomosis: proteinases as targets for a vaccine and therapeutic agents [Abstract]	88
An estimation of the familial relationships among ??Siphonostomatoida (Copepoda) parasitic on elasmobranchs using molecular data [Abstract]	88
Survival strategies of <i>Dipylidium caninum</i> [Abstract]	88
Resistance of <i>Boophilus</i> spp. ticks to acaricides in South Africa [Abstract]	88
Integrated vector management in Africa [Abstract]	89
Reversing sequestration in <i>Plasmodium falciparum</i> malaria with antibodies does not work in the treatment of severe malaria [Abstract]	89
Functional micromorphology of the slender pigeon louse <i>Columbicola columbae</i> [Abstract]	89
<i>Caligus</i> parasites collected from marine and estuarine fish in KwaZulu-Natal, South Africa [Abstract]	89
Cross-reactivity between antigens of <i>Amblyomma cajennense</i> and <i>A. hebraeum</i> (Acari: Ixodidae) [Abstract]	90
Recent advances in the diagnosis of salivarian trypanosomes [Abstract]	90
<i>Clinostomum</i> species infecting the sharptooth catfish, <i>Clarias gariepinus</i> in the Okavango Delta, Botswana [Abstract]	90
Roll back malaria: a South African perspective [Abstract]	90
Novel methods in the control of ticks [Abstract]	90
<i>Plasmodium falciparum</i> : In vitro activity of sulphadoxine and dapson in field isolates from Kenya: point mutations in dihydropteroate synthase may not be the only determinants in sulphadoxine resistance [Abstract]	91
The helminth parasites of the most economically important African freshwater fish, <i>Clarias gariepinus</i> , and their relation to the fish biology and zoogeography [Abstract]	91
Survival strategies of snail-borne trematode parasites [Abstract]	91
The occurrence of a novel protozoan parasite in the gut of abalone, <i>Haliotis midae</i> : preliminary findings [Abstract]	92
Excreta and waste disposal practices, the health implication on the poor urban community of Epworth, Zimbabwe [Abstract]	92
Two exotic species of Monogenea now established in water bodies in South Africa [Abstract]	92
Prevalence of porcine cysticercosis and hydatidosis in slaughtered animals in southwestern Zimbabwe: a retrospective study [Abstract]	92
Anthelmintic treatment: the use of unregistered products and their role in underdosing [Abstract]	93
Disease-causing agents in free-ranging poultry from the Qwa-Qwa district of the Free State province, South Africa [Abstract] ...	93
Preliminary studies on the prevalence and distribution of urinary schistosomiasis in Ondo State, Nigeria [Abstract]	93
Determination of cut-off p(LDH) optical density levels for field evaluation of malaria in Kenya	93

Notes on the life-cycle of the digenean (Trematoda: Hemiuridae) occurring in <i>Haliotis spadicea</i> (Donovan, 1808) [Abstract] . . .	93
An overview of the reproductive process, conjugation, in <i>Mantoscyphidia branchi</i> (Van As, Basson and Van As, 1998) [Abstract] . . .	94
Amphistomosis in Zimbabwe: epidemiological aspects [Abstract]	94
Myxozoans infecting the sharptooth catfish, <i>Clarias gariepinus</i> (Burchell, 1822), in the Okavango River and Delta, Botswana [Abstract]	94
Malaria control in South Africa and extension of control to southern Mozambique. Can we successfully keep malaria under control? [Abstract]	95
Acaricide resistance and cattle tick control in South Africa – the way forward [Abstract]	95
Investigation of a strategy for vaccination of free-ranging village chickens against Newcastle disease in Qwa-Qwa, South Africa [Abstract]	95
Aspects of the ecology of <i>Lamproglana clariae</i> from the Vaal River System, South Africa [Abstract]	95
Blood parasites of reptiles from the Free State province South Africa [Abstract]	96
Branchiurians associated with fishes of the Okavango River and Delta, Botswana [Abstract]	96
<i>Lamproglana</i> and <i>Lernaea</i> (Copepoda) as possible bio-indicators of environmental deterioration in the Olifants River [Abstract] . .	96
Reverse line blot: a diagnostic tool to detect blood parasites [Abstract]	96
The influence of antimalarial drugs on monocyte elemental concentrations as determined by X-ray microanalysis [Abstract] . .	97
Species designation in the parasitic copepod <i>Nemesis lamna</i> [Abstract]	97
Nematode infections in dogs from peri-urban resource-limited communities in the Eastern Cape Province, South Africa [Abstract]	97
A role for peripheral blood fibrocytes in African trypanosomiasis and Lyme disease	97
Micromorphology of the Kiwi feather louse (<i>Rallicola gracilentus</i>) [Abstract]	97
Tissue-burrowing copepod parasites of <i>Hilsa kelee</i> [Abstract]	98
Skin and gill parasites of the Kob, <i>Argyrosomus japonicus</i> (Temminck & Schlegel, 1843) collected at the De Hoop Nature Reserve, South Africa [Abstract]	98
Applying the parasite index (PI) as a bio-indicator of water quality in the Selati River, Limpopo Province: preliminary results [Abstract]	98
New information on the location of Bruce's laboratory at Ubombo as a basis for possible archaeological studies [Abstract] . . .	98
Incidence of <i>Cryptosporidium</i> at Groote Schuur Hospital [Abstract]	99
A new cestode from <i>Marcusenius macrolepidotus</i> from Mpumalanga [Abstract]	99
Epitope mapping of a trypanosomal cysteine proteinase [Abstract]	99
Some notes on the cestode larvae (Cestoda: Tetraphyllidae) found in the alimentary canal of <i>Octopus vulgaris</i> from the De Hoop Nature Reserve, South Africa [Abstract]	99
A study on quantitative descriptors in the ecology of a <i>Diplozoon</i> sp. on <i>Labeo umbratus</i> in the Vaal River [Abstract]	100
Identification of a <i>Plasmodium falciparum</i> protein with sequence similarity to a protein that protects mice from a <i>Plasmodium chabaudi</i> infection [Abstract]	100
Prevalence of helminthic infections in a survey of adults in the Durban area [Abstract]	100
Epidemiology of <i>Toxocara canis</i> , <i>T. cati</i> and <i>Toxascaris leonina</i> in Jimma, southwestern Ethiopia [Abstract]	100
Transplacental and transmammary modes of transmission of <i>Toxocara canis</i> , <i>Toxocara cati</i> and <i>Toxascaris leonina</i> in a paratenic host [Abstract]	101
Pathology	
Histological evidence of chytridiomycete fungal infection in a free-ranging amphibian, <i>Afrana fuscigula</i> (Anura: Ranidae), in South Africa	20
The Cysticercosis Working Group in Eastern and Southern Africa meets again	62
Pharmacology	
Toxicokinetics of cotyledoside following intravenous administration to sheep	7
Overview of suspected adverse reactions to veterinary medicinal products reported in South Africa (March 2002 – February 2003)	137
Primary animal health care	
Parasitic helminths of veterinary importance in cattle, sheep and goats on communal farms in the northeastern Free State, South Africa	45
The Cysticercosis Working Group in Eastern and Southern Africa meets again	62
Production	
The use of dried bakery products in a free-choice feeding method for small-scale broiler production	111
Epistaxis related to exercise-induced pulmonary haemorrhage in South African Thoroughbreds	127
Protozoal diseases	
Thrombocytopaenia in canine babesiosis and its clinical usefulness	63
Radiology	
Ultrasonographic diagnosis of unilateral ectopic ureter in a Labrador dog	84
Cervical spondylomyelopathy (wobbler syndrome) in the Boerboel	104
Reproduction	
A survey of reproductive success in South African Thoroughbred horse breeding from 1975 to 1999	17

Surgery

Volume of the <i>ligamentum capitis femoris</i> in osteoarthritic hip joints of adult dogs	11
The prevalence of subclinical gastroduodenal ulceration in Dachshunds with intervertebral disc prolapse	77

Toxicology

Toxicokinetics of cotyledoside following intravenous administration to sheep	7
Vine snake (<i>Thelotornis capensis</i>) bite in dog	27

Viral diseases

The encyclopaedia of arthropod-transmitted infections	23
---	----

Wildlife / exotic diseases

A note on endoparasites of wild ostriches (<i>Struthio camelus</i>) in the Mokolodi Nature Reserve, Gaborone, Botswana	22
International Aquatic Animal Health Code, 5th edition	102
<i>Pasteurella testudinis</i> associated with respiratory disease and septicaemia in leopard (<i>Geochelone pardalis</i>) and other tortoises in South Africa	135
Crocodiles – Biology, husbandry and diseases	116

Book reviews

Clinical neurology in small animals: localization, diagnosis and treatment	16
The encyclopedia of arthropod-transmitted infections	23
Pets and our mental health: the why, the what and the how	60
International Aquatic Animal Health Code, 5th edition	102
Crocodiles – Biology, husbandry and diseases	116
