

Index, Subject — Indeks, Onderwerp

Volume 69 · Jaargang 69 — 1998

No. 1 — March · Maart: 1–40

No. 2 — June · Junie: 41–72

No. 3 — September: 73–116

No. 4 — December · Desember: 117–190

Anaesthesiology

- Stability of cardiodynamic and some blood parameters in the baboon following intravenous anaesthesia with ketamine and diazepam 18
- Observations on the use of midazolam for sedation, and induction of anaesthesia with midazolam in combination with ketamine in the goat 89

Avian (poultry, ostriches, cage birds)

- Urinary excretion of diethylstilbestrol in the ostrich 57
- Viruses and virus-like particles identified in ostrich gut contents 74
- Versternema struthionis* in ostriches: is there an association with peritonitis? 118

Bacterial, mycoplasmal and fungal diseases/bacteriology

- An outbreak of urticarial form of swine erysipelas in a medium-scale piggery in Kiambu District, Kenya 61
- The zoonotic importance of *Mycobacterium tuberculosis*: transmission from human to monkey 64
- Tuberculosis in Kafue lechwe (*Kobus leche kafuensis*) and in a bushbuck (*Tragelaphus scriptus*) on a game ranch in Central Province, Zambia 98
- Occurrence of dermatomycosis (ringworm) due to *Trichophyton verrucosum* in dairy calves and its spread to animal attendants . . . 172

Clinical pathology

- The effect of endotoxin and anti-endotoxin serum on synovial fluid parameters in the horse 7
- Hyperrenaemic hypoaldosteronism in a dog 33
- Chylothorax in a cat 118
- Treatment of heartwater: potential adverse effects of furosemide administration on certain homeostatic parameters in normal sheep 129
- Perioperative plasma cortisol concentration in the horse 137
- Clinico-pathological studies in cattle experimentally infected with *Taenia saginata* eggs 156

Genetics

- Genetic markers in the blood of animals: a historical review 4
- Genetic analysis of three South African horse breeds 120

Medicine

- Targeted radiotherapy with Sm-153-EDTMP in nine cases of canine primary bone tumours 12
- Osteitis of the apex of the third phalanx following foot trimming in a dairy cow 23
- Hyperrenaemic hypoaldosteronism in a dog 33
- An outbreak of urticarial form of swine erysipelas in a medium-scale piggery in Kiambu District, Kenya 61
- A case of ovine lymphosarcoma in Kenya 105
- Clinical aspects of an outbreak of papillomatous digital dermatitis in a dairy cattle herd 112
- Chylothorax in a cat 118
- Treatment of heartwater: potential adverse effects of furosemide administration on certain homeostatic parameters in normal sheep 129
- Occurrence of dermatomycosis (ringworm) due to *Trichophyton verrucosum* in dairy calves and its spread to animal attendants . . . 172

Nutrition

- The effect of dietary protein on reproduction in the mare. V. Endocrine changes and conception during the early *post partum* period 81
- The effect of dietary protein on reproduction in the mare. VI. Serum progesterone concentrations during pregnancy 143
- The effect of dietary protein on reproduction in the mare. VII. Embryonic development, early embryonic death, foetal losses and their relationship with serum progesterone 150

Parasitology

- Versternema struthionis* in ostriches: is there an association with peritonitis? 118
- Clinico-pathological studies in cattle experimentally infected with *Taenia saginata* eggs 156

Pathology

- Datura* seed intoxication in two horses 27
- Acute *Lantana camara* poisoning in a Boer goat kid 30

Recovery of <i>Sarcocystis</i> oocysts from a free-ranging wild dog (<i>Lycaon pictus</i>)	42
Prevalence of gastro-oesophageal ulcers in grower-finisher pigs in the Northern Province of South Africa	59
Occurrence of coccidia in a mixed herd of sheep and goats at Nebo, Northern Province, South Africa	93
A case of ovine lymphosarcoma in Kenya	105
<i>Versternema struthionis</i> in ostriches: is there an association with peritonitis?	118
Clinico-pathological studies in cattle experimentally infected with <i>Taenia saginata</i> eggs	156
Malignant fibrous histiocytoma of the deep peri-articular tissue of the stifle in a dog	163
Pharmacology	
Stability of cardiodynamic and some blood parameters in the baboon following intravenous anaesthesia with ketamine and diazepam	18
Psychogenic alopecia in a cat: response to clomipramine	22
Lack of susceptibility of <i>Ehrlichia canis</i> to imidocarb dipropionate <i>in vitro</i>	55
Urinary excretion of diethylsilbestrol in the ostrich	57
Observations on the use of midazolam for sedation, and induction of anaesthesia with midazolam in combination with ketamine in the goat	89
Ketamine hydrochloride - an adjunct for analgesia in dogs with burn wounds	95
Treatment of heartwater: potential adverse effects of furosemide administration on certain homeostatic parameters in normal sheep	129
Antimicrobial selection, administration and dosage	174
Protozoal diseases	
Recovery of <i>Sarcocystis</i> oocysts from a free-ranging wild dog (<i>Lycaon pictus</i>)	42
Occurrence of coccidia in a mixed herd of sheep and goats at Nebo, Northern Province, South Africa	93
Radiology	
Targeted radiotherapy with Sm-153-EDTMP in nine cases of canine primary bone tumours	12
Elbow dysplasia in the dog: pathophysiology, diagnosis and control	43
Malignant fibrous histiocytoma of the deep peri-articular tissue of the stifle in a dog	163
Reproduction	
The effect of dietary protein on reproduction in the mare. V. Endocrine changes and conception during the early <i>post partum</i> period	81
The effect of dietary protein on reproduction in the mare. VI. Serum progestagen concentrations during pregnancy	143
The effect of dietary protein on reproduction in the mare. VII. Embryonic development, early embryonic death, foetal losses and their relationship with serum progestagen	150
Rickettsial diseases	
Lack of susceptibility of <i>Ehrlichia canis</i> to imidocarb dipropionate <i>in vitro</i>	55
Serological survey for antibodies reactive with <i>Ehrlichia canis</i> and <i>E. chaffeensis</i> in dogs from the Bloemfontein area of South Africa	126
Surgery	
Atypical dermoid sinus in a chow chow dog	102
Parotid duct laceration repair in two horses	108
Perioperative plasma cortisol concentration in the horse	137
Malignant fibrous histiocytoma of the deep peri-articular tissue of the stifle in a dog	163
Toxicology	
<i>Datura</i> seed intoxication in two horses	27
Acute <i>Lantana camara</i> poisoning in a Boer goat kid	30
Veterinary ethology and demography	
Psychogenic alopecia in a cat: response to clomipramine	22
Veterinary public health/community health	
The zoonotic importance of <i>Mycobacterium tuberculosis</i> : transmission from human to monkey	64
Occurrence of dermatomycosis (ringworm) due to <i>Trichophyton verrucosum</i> in dairy calves and its spread to animal attendants	172
Serological survey for antibodies reactive with <i>Ehrlichia canis</i> and <i>E. chaffeensis</i> in dogs from the Bloemfontein area of South Africa	126
Virology	
Procedures for the diagnosis of virus particles by electron microscopy	2
Viruses and virus-like particles identified in ostrich gut contents	74
Mokola virus infection: description of recent South African cases and review of the virus epidemiology	169
Wildlife/exotic animals	
Recovery of <i>Sarcocystis</i> oocysts from a free-ranging wild dog (<i>Lycaon pictus</i>)	42

The zoonotic importance of <i>Mycobacterium tuberculosis</i> : transmission from human to monkey	64
Tuberculosis in Kafue lechwe (<i>Kobus leche kafuensis</i>) and in a bushbuck (<i>Tragelaphus scriptus</i>) on a game ranch in Central Province, Zambia	98
Continuing education	
Antimicrobial selection, administration and dosage	174
Inaugural address	
Healthy animals: safe products: a healthier community	66
Obituary	
Henri Pieter Albert de Boom	185
SAVA awards	
1997	36
Book reviews	
Developing a procedures manual for your veterinary clinic	3
The mammal guide of southern Africa	21
Proceedings of a symposium on lions and leopards as game ranch animals	32
International aquatic animal health code (2nd edn) and Diagnostic manual for aquatic animal diseases (2nd edn)	88
Human-livestock interactions - the stockperson and the productivity and welfare of intensively farmed animals	92
Genetic resistance to animal diseases	101
Ethnoveterinary research and development.	104
Contamination of animal products: prevention and risks for public health	111
Comprehensive reports on technical items presented to the International Committee or to regional commissions	116
Veterinary laboratories for infectious diseases	125
