

Index, Subject — Indeks, Onderwerp

Volume 68 • Jaargang 68 — 1997

No. 1 — March • Maart: 1–30

No. 2 — June • Junie: 31–70

No. 3 — September: 71–108

No. 4 — December • Desember: 109–165

Avian (poultry, ostriches, cage birds)

Suspected aflatoxicosis in breeding budgerigars 2

Bacterial, mycoplasmal and fungal diseases/bacteriology

Suspected aflatoxicosis in breeding budgerigars 2

Experimental exposure of pregnant mares to the asinine-94 strain of equine arteritis virus 49

Efficacy of doxycycline in a goat model of *Pasteurella pneumonia* 55

Clinical and epizootiological study of a leptospirosis outbreak due to *Leptospira canicola* in a feedlot 105

The effect of activation of the lactoperoxidase system and souring on certain potential human pathogens in cows' milk 130

Chronic episodic diarrhoea associated with apparent intestinal colonisation by the yeasts *Saccharomyces cerevisiae* and *Candida famata* in a German shepherd dog 147

Clinical pathology

Transient hyperammonaemia in an adult German shepherd dog 66

Epidemiology

An epizootological study of wastage in Thoroughbred racehorses in Gauteng, South Africa 125

Laboratory animals

Effect of different bedding materials on the reproductive performance of mice 8

Medicine

The pathophysiology and medical management of canine osteoarthritis 21

Multiple malignant meningiomas in a young cat 62

Transient hyperammonaemia in an adult German shepherd dog 66

Malignant lymphoma of the skin and superficial lymph nodes in a bull mastiff bitch 72

Clinical and epizootiological study of a leptospirosis outbreak due to *Leptospira canicola* in a feedlot 105

The effect of diminazene aceturate on cholinesterase activity in dogs with canine babesiosis 111

Suspected poisoning of puppies by the mushroom *Amanita pantherina* 154

Chronic episodic diarrhoea associated with apparent intestinal colonisation by the yeasts *Saccharomyces cerevisiae* and *Candida famata* in a German shepherd dog 147

Right atrial myxosarcoma in a dog 144

Nutrition

Acute effects of an anionic diet on bone mineral homeostasis in the bovine 73

The effect of dietary protein on reproduction in the mare. I. The composition and evaluation of the digestibility of dietary protein from different sources 78

The effect of dietary protein on reproduction in the mare. II. Growth of foals, body mass of mares and serum protein concentration of mares during the anovulatory, transitional and pregnant periods 81

The effect of dietary protein on reproduction in the mare. III. Ovarian and uterine changes during the anovulatory, transitional and ovulatory periods in the non-pregnant mare 86

The effect of dietary protein on reproduction in the mare. IV. Serum progesterone, FSH, LH and melatonin concentrations during the anovulatory, transitional and ovulatory periods in the non-pregnant mare 114

The effect of high broiler litter diets as survival ration on the health of sheep 121

Parasites and parasite control

Tick control by small-scale cattle farmers in the central Eastern Cape Province, South Africa 45

A survey of anthelmintic resistance on ten sheep farms in Mashonaland East Province, Zimbabwe 140

Pathology

Suspected aflatoxicosis in breeding budgerigars 2

The possible role of manganese poisoning in enzootic geophagia and hepatitis of calves and lambs 4

Kalanchoe lanceolata poisoning in Brahman cattle in Zimbabwe: the first field outbreak 18

Experimental exposure of pregnant mares to the asinine-94 strain of equine arteritis virus 49

Multiple malignant meningiomas in a young cat 62

Vermeersiekte caused by *Geigeria burkei* Harv. subsp. *burkei* var. *hirtella* Merxm. in the Northern Province of South Africa 97

Uterine horn aplasia with complications in two mixed-breed bitches	150
Right atrial myxosarcoma in a dog	144
Pharmacology	
Efficacy of doxycycline in a goat model of <i>Pasteurella</i> pneumonia	55
The effect of diminazene aceturate on cholinesterase activity in dogs with canine babesiosis	111
Protozoal diseases	
Perceived causes, diagnosis and treatment of babesiosis and anaplasmosis in cattle by livestock farmers in communal areas of the central Eastern Cape Province, South Africa	40
The effect of diminazene aceturate on cholinesterase activity in dogs with canine babesiosis	111
Radiology	
Thyroidal radioisotope uptake in euthyroid cats: a comparison between ¹³¹ I and ^{99m} TcO ₄	35
Right atrial myxosarcoma in a dog	144
Reproduction	
Effect of different bedding materials on the reproductive performance of mice	8
The effect of treatment with a slow-releasing oxytocin preparation at the onset of oestrus on the ovulation rate of Merino ewes	16
The effect of dietary protein on reproduction in the mare. I. The composition and evaluation of the digestibility of dietary protein from different sources	78
The effect of dietary protein on reproduction in the mare. II. Growth of foals, body mass of mares and serum protein concentration of mares during the anovulatory, transitional and pregnant periods	81
The effect of dietary protein on reproduction in the mare. III. Ovarian and uterine changes during the anovulatory, transitional and ovulatory periods in the non-pregnant mare	86
The effect of dietary protein on reproduction in the mare. IV. Serum progesterone, FSH, LH and melatonin concentrations during the anovulatory, transitional and ovulatory periods in the non-pregnant mare	114
Uterine horn aplasia with complications in two mixed-breed bitches	150
Rickettsial diseases	
Perceived causes, diagnosis and treatment of babesiosis and anaplasmosis in cattle by livestock farmers in communal areas of the central Eastern Cape Province, South Africa	40
Surgery	
Standing laparoscopically-aided ovariectomy in mares	102
Toxicology	
Suspected calcium oxalate raphide irritation in a black rhinoceros (<i>Diceros bicornis</i>) due to ingestion of <i>Xanthosoma mafaffa</i>	2
Suspected aflatoxicosis in breeding budgerigars	2
The possible role of manganese poisoning in enzootic geophagia and hepatitis of calves and lambs	4
<i>Kalanchoe lanceolata</i> poisoning in Brahman cattle in Zimbabwe: the first field outbreak	18
Vermeersiekte caused by <i>Geigeria burkei</i> Harv. subsp. <i>Burkei</i> var. <i>hirtella</i> Merxm. in the Northern Province of South Africa	97
Suspected poisoning of puppies by the mushroom <i>Amanita pantherina</i>	154
Veterinary ethology and demography	
Perceived causes, diagnosis and treatment of babesiosis and anaplasmosis in cattle by livestock farmers in communal areas of the central Eastern Cape Province, South Africa	40
Tick control by small-scale cattle farmers in the central Eastern Cape Province, South Africa	45
Perceptions of teenagers about the role of the veterinarian in practice: a cross-cultural study	59
A survey of animal welfare needs in Soweto	137
Veterinary public health/community health	
Veterinary community health – an emerging discipline	32
The effect of activation of the lactoperoxidase system and souring on certain potential human pathogens in cows' milk	130
Virology	
Experimental exposure of pregnant mares to the asinine-94 strain of equine arteritis virus	49
Comparison of electron microscopy, enzyme-linked immunosorbent assay and latex agglutination for the detection of bovine rotavirus in faeces	93
Bluetongue virus serotype 16 in a 3-month-old lamb	110
Wildlife	
Suspected calcium oxalate raphide irritation in a black rhinoceros (<i>Diceros bicornis</i>) due to ingestion of <i>Xanthosoma mafaffa</i>	2

Zootechnology and animal production

Effect of different bedding materials on the reproductive performance of mice	8
---	---

Continuing education

The pathophysiology and medical management of canine osteoarthritis	21
---	----

Inaugural address

Veterinary physiology and community development: are they compatible in a new South Africa?	159
---	-----

SAVA awards, 1996	26
------------------------------------	----

Book reviews

Veterinary reproduction and obstetrics (7th edn)	15
Ostrich chick rearing, a stockman's guide	17
Ratite management and surgery	54
Proceedings of a symposium on the African buffalo as a game ranch animal	58
Wildlife resources – a global account of economic use	65
Game ranch management (revised and expanded edition)	69
Manual of standards for diagnostic tests and vaccines (3rd edn)	77
Comprehensive reports on technical items presented to the International Committee or to Regional Commissions 1996	96
Animal mycoplasmoses and control	136
